

SMART PROCUREMENT

Concerns of Manual Procurement to payment Process

Time-Consuming Processes

Difficulty in Reporting and Analysis

Increased Error Rates

Inefficient Supplier Management

Lack of Visibility and Control

Limited Scalability

Fraud and Compliance Risks

Increased Operational Costs

KEY COMPONENTS

Electronic Procurement (e-Procurement)

Electronic Invoicing (e-Invoicing)

Automated Approval Workflows

Purchase Order Automation

Supplier Management

Contract Management

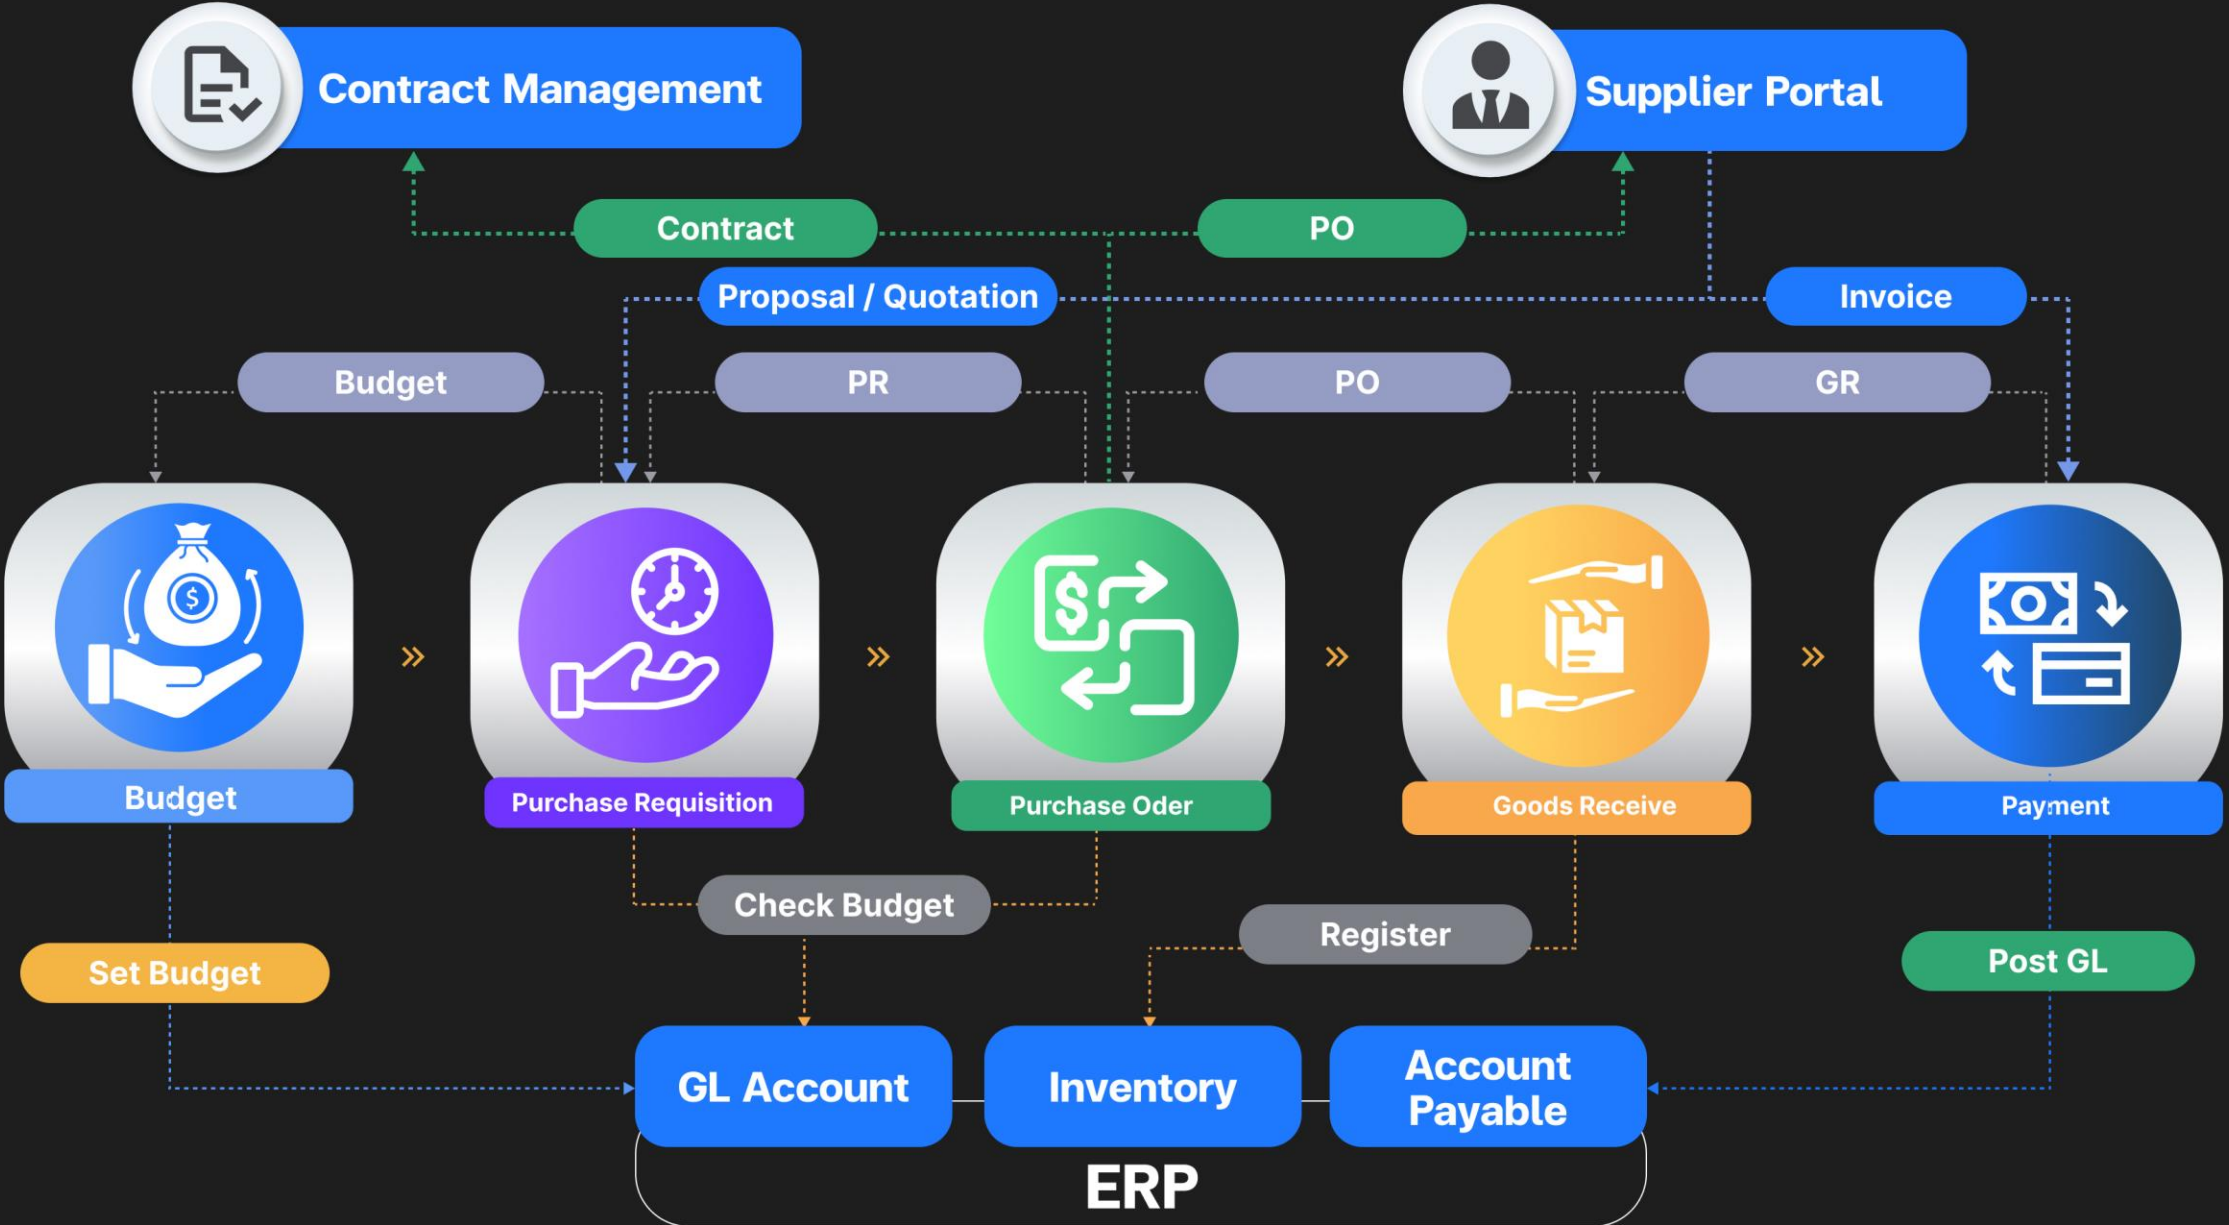

Spend Analysis

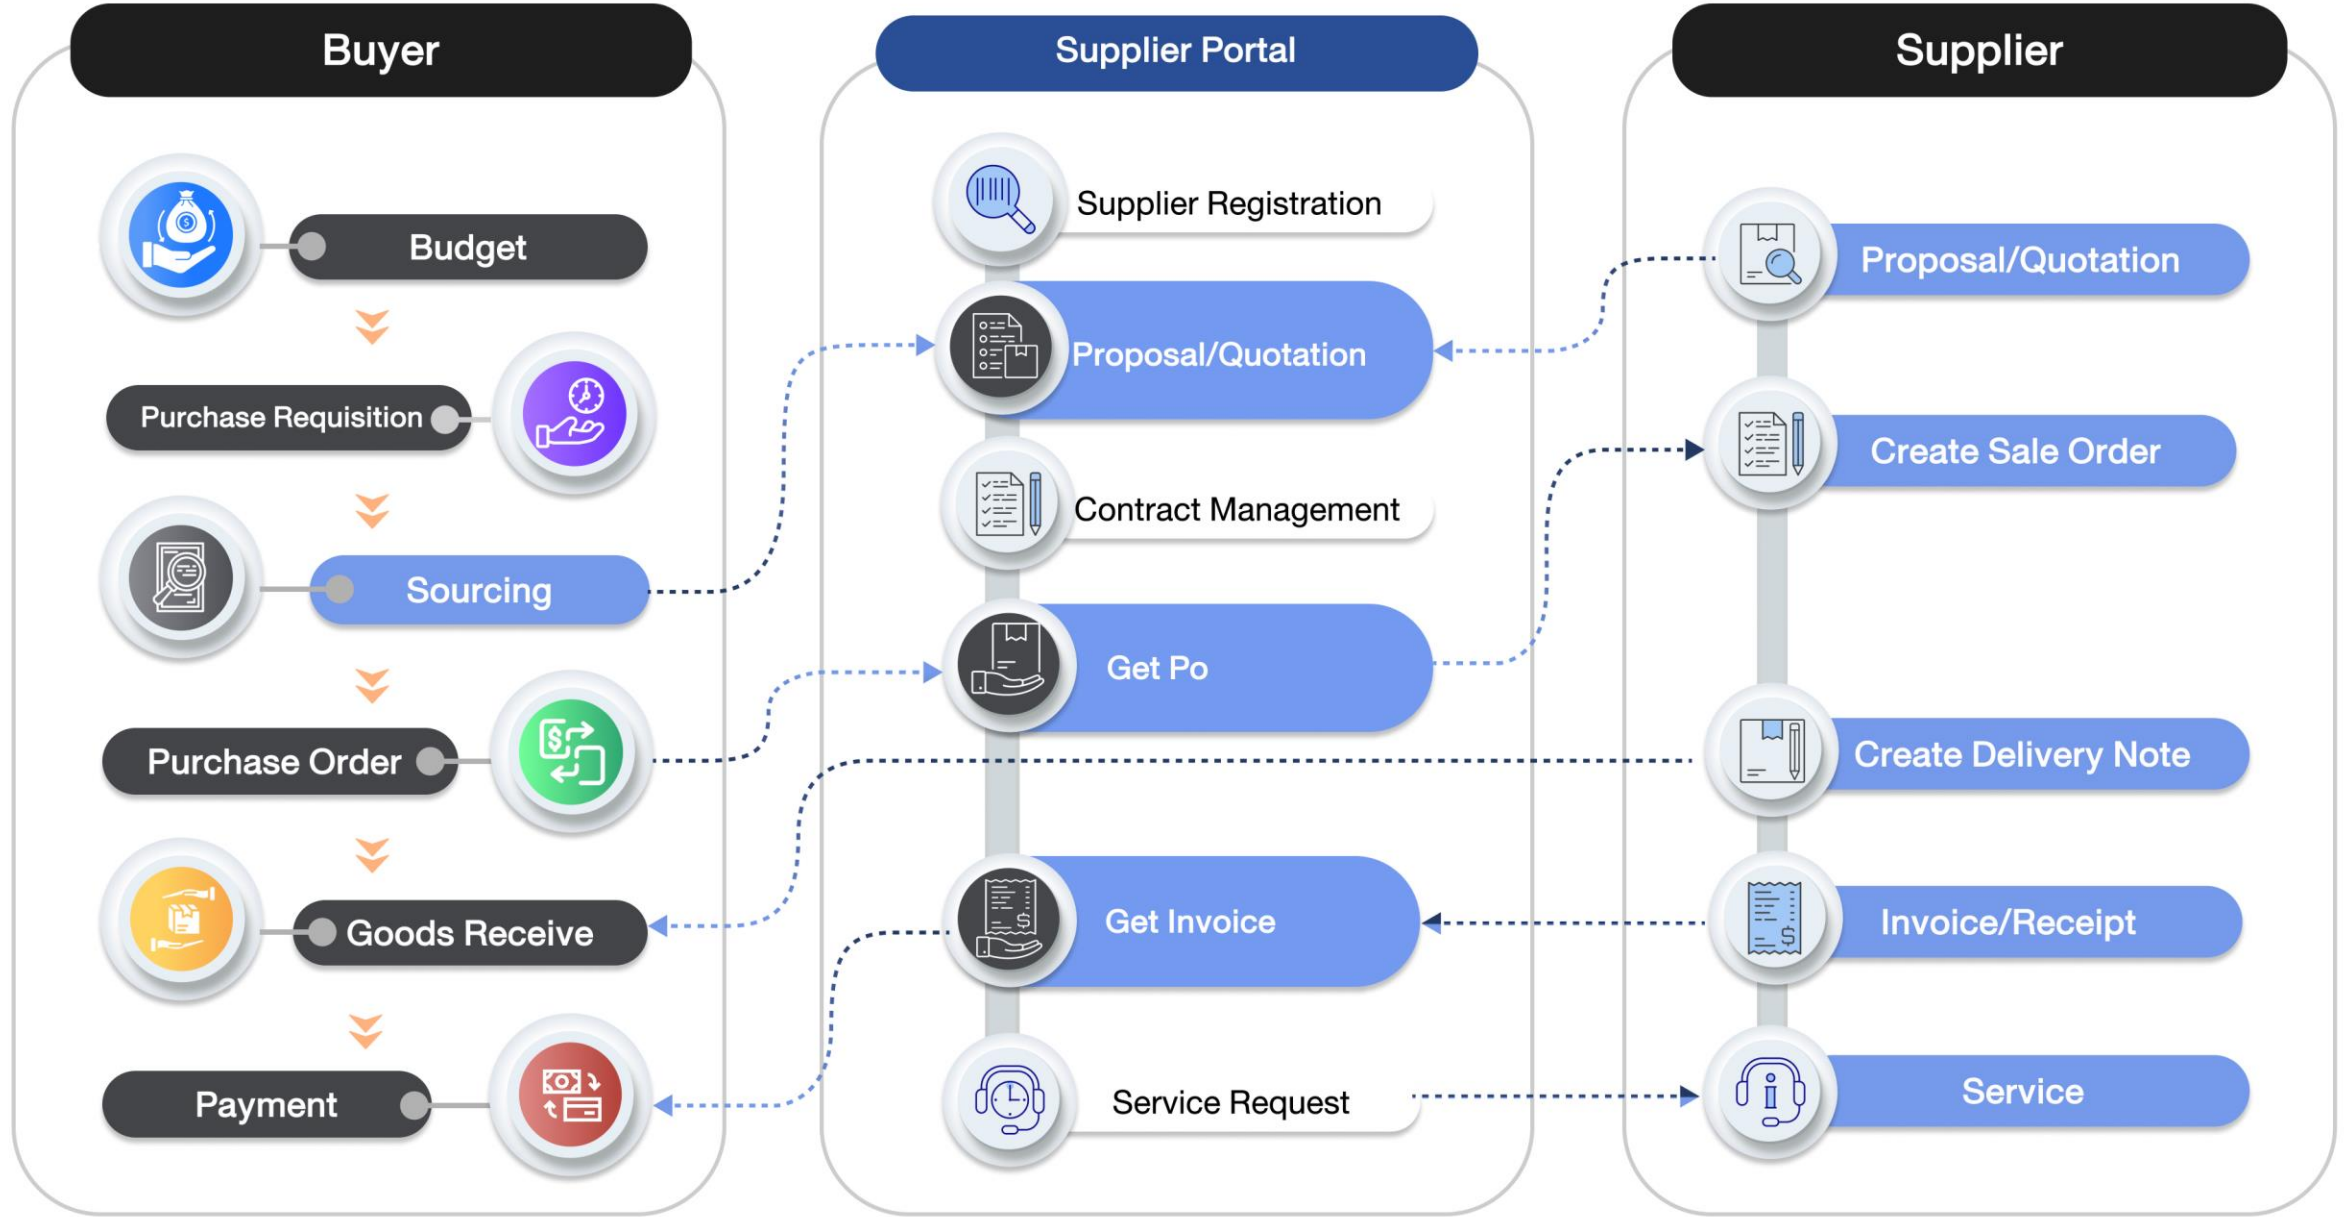

Compliance and Risk Management

WOLF Smart Procurement

WOLF SMART PROCUREMENT PROCESS

KEY BENEFITS

Cost Reduction

Improved Accuracy and Reduced Errors

Strengthened Supplier Relationships

Enhanced Visibility and Control

Faster Processing Times.

Strategic Decision Making

Compliance and Risk Mitigation

Return on investment

Steps

Paper

Process /
Workforce / Loss

Store

Dispose

Key Measurement

Redundant Copies
Capturing information
Equipment Reduced

Process Time
Cost of Distribution
Cost of Loss
Cost of Delay

Access
Cost of Physical Storage

Ability to eliminate unused
Alert of expired information
Cost of storing outdated data

Result ROI Per Year

Reduce Paper from **10,000** to **5,000**
Speed per request **up 70%**
Cost Saving ≈ 129,000 THB

Workforce Cost Saving ≈ **1,080,000 THB**
Distribution Cost Saving ≈ **240,000 THB**

Cost of access (traveling, sending, reprinting)
Reduce from **10,000** to **5,000**
Cost of data leak ≈ ?
Store Cost Saving ≈ **60,000 THB**

From manual selecting to rule-based
Dispose Cost Saving ≈ **30,000 THB**

Return on investment

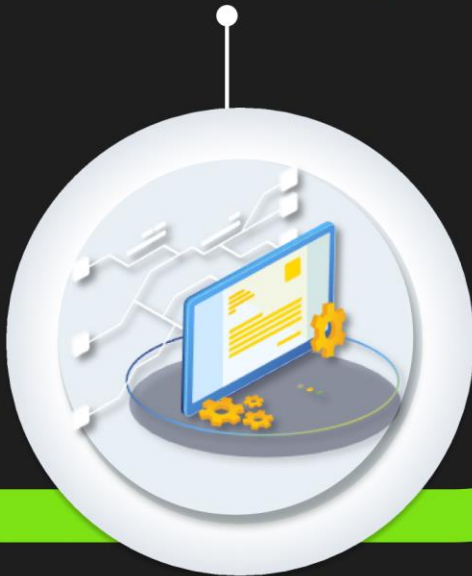

Save 1,509,000 * THB
within the first year

Assumption : 100+ Employees

WOLF PLATFORM

Paperless document approval software is specifically designed for those who are inexperienced in IT knowledge. The software operates on various kinds of devices for you to conveniently work anytime and anywhere.

Self-Services reporting tools

The image displays two screenshots of the WOLF self-services reporting tools interface. The top screenshot shows an 'Expenses Claim(18)' report with a table of memorandum requests and a search filter dropdown. The bottom screenshot shows a 'PR PO' dashboard with bar and pie charts for various departments.

Expenses Claim(18)
